RE: Mel and Lerah Parker / Libby Asbestos Site
Our File No. 00-039

Dear Mr. Cohn:

Enclosed you will find the casualty loss report of Montana Claims Service of Kalispell relating to the casualty evaluation of the real property losses incurred by Mel and Lerah Parker. Based on this documentation, we feel that the Parkers are entitled to an additional \$851,982.73 as compensation due to the damage to or loss of real property for which they have not been previously compensated. The Parkers have apparently discussed this with Mr. Peronard. It is my understanding that this figure is acceptable.

Please call me at your earliest convenience to discuss this matter so that we can prepare the necessary agreements required to bring this matter to final conclusion.

Thank you in advance for your prompt attention to this matter.

Yours very truly,

Tom L. Lewis
